**30/30 SPIN YOGA:** A 60 minute class—30 minutes of cycling, followed by 30 minutes of yoga. This combo class brings you the cardio and endurance of a cycling workout, followed with the deep stretch and strengthening of yoga, then a cool down and some relaxation!

**AQUA FIT:** This water class provides opportunity for aerobic conditioning, muscle strengthening and toning through deep water exercises. A variety of resistance and buoyancy equipment will be used. Monday will focus on shallow water Wednesday will be deep water (comp pool)

**AQUA ZUMBA®:** This class is perfect for those looking to add a low-impact, high-energy aquatic exercise to their fitness routine. With moves set to music, and water resistance to tone your muscles, this is a pool party you shouldn't miss!

**CARDIO CIRCUIT:** Improve your cardio and endurance with this class! This class will utilize the rowing machines, ski erg, stationary bikes, and more for a fun and effective cardiovascular workout. Full body strength exercises are incorporated in-between cardio intervals for a great all around workout. All levels of fitness are welcome as the intensity is determined by you!

**FIT KIDS:** This parent-tot class is free to attend for kids up to 5 years with paid parent admission. This class will be in the gym and includes various activities to promote learning and development in an engaging and interactive way. We will use scooters, hula hoops, parachutes, mats, and other items to promote a healthy, active lifestyle!

**FIT-N-FUN:** This is a great exercise class for people of all ages! It covers warm up, stretching, range of motion exercises, balance training, strengthening, a 15 minute cardio segment, cool down and relaxation. It is a full body workout emphasizing range of motion and mobility.

**GENTLE YOGA:** This Gentle Yoga class is a blend of gentle restorative yoga and flowing vinyasa. Class is structured to gain flexibility, strength and tone, as well as learning skills to de-stress and relax. A low to moderate intensity class, the poses can be modified either up or down to fit the needs of those participating. Beginner friendly!

**MUSCLE & HUSTLE:** Muscle & Hustle is lively functional weightlifting and conditioning class that will challenge all fitness levels from beginner to seasoned gym fanatic. Focus is on building strength & endurance, improving core stability, mobility, and balance. Teaching proper form for all lifts and movements is priority; rehabilitative movements are often sprinkled in. This class is especially beneficial for girls and women in all seasons of their lives (teenagers, prenatal, postnatal, middle aged, and life masters), as the instructor has a specialization in women's fitness. Equipment: weights, TRX bands, body weight, resistance bands, etc. Expect a variety of formats including circuit training, unilateral training, and H.I.R.T. (High Intensity Resistance Training).

**PEDAL POWER:** This fun, heart-pumping indoor cycling class will take you through challenging terrains. Be ready to climb mountains, race down hills, push yourself on flats and of course we can't forget the interval drills. There is no compromising your level of fitness in this indoor cycling class. Get ready to improve your endurance level, cardiovascular and muscular strength while learning proper technique to conquer all riding scenarios. Class will conclude with a 5 minute core session and a 5 minute stretch session.

**POWER FLOW YOGA:** Build strength and flexibility in this fun all-level fiery vinyasa practice. Linking breath to body movement, we build and sustain heat within the body.

**RESTORATIVE TAI CHI:** This class blends the benefits of simple Tai Chi and qigong with restorative yoga, creating a wonderfully rejuvenating and relaxing workout that is great for the mind and gentle on the body.

**SLOW FLOW YOGA:** Get grounded in this slow all-level vinyasa practice. We begin by warming up with standing sequences, then open up the body with longer holds.

**STRONG 45®:** The class combines the amazing results of a HITT class with the Zumba music you love! Body weight strength training, high intensity cardio, plyometric moves, core and functional training all perfectly synced to a beat.

**SWEAT/SHRED/BURN:** Sweat, Shred, Burn will consist of conditioning, dumbbell use, bands, including TRX bands, and body weight movements. The class will begin with a warmup, followed by a series of movement and workout instructions. The class will then perform a varied workout that will consist of an 8-40 minute workout session. The workout length will determine if there will be a final session of Guns and Buns work. All skill levels welcome! All movements, weights and skill domains will be modified for each participant.

**YOGA:** Classes are vinyasa-style, which translates as coordinating movement with the breath. Sequences are unique, and incorporate awareness of the body as well as the breath. Poses are broken down so that the best alignment and potential of your body can be achieved.

**ZUMBA®:** This Latin-style dance class blends upbeat dance moves with athletic movement. The perfect blend of choreography challenges both the dancer and the exerciser.
