AQUA FIT: This water class provides opportunity for aerobic conditioning, muscle strengthening and toning through deep and shallow water exercises. A variety of resistance and buoyancy equipment will be used.

BOOTCAMP: PAC's Boot camp will help you improve your fitness level quickly. This class will involve a series of highintensity exercises that target multiple muscle groups. During Bootcamp you will get a whole-body strength and cardio workout in each one-hour session. Bootcamp workouts will break up the boredom and monotony of the same old gym or cardio workouts. This class will be able to keep you moving and make the hour go by fast. The class is adaptable for any skill level. Dumbbells, bands, cardio equipment and body movements will be incorporated into the class.

CIRCL MOBILITY™: Based on the science of functional movement, CIRCL Mobility™ focuses on flexibility, breathwork, and mobility exercises to help you move better, longer. Set to a soundtrack of healing tones + sound frequencies to help your mind focus and release stress. This will be a 12 minute conclusion to STRONG45® and Strength In Mobility. Students are welcome to join for just this portion of class at 12:45PM Tues/Thurs or 10:45am on Tues/Fri.

GENTLE YOGA: This Gentle Yoga class is a blend of gentle restorative yoga and flowing vinyasa. Class is structured to gain flexibility, strength and tone, as well as learning skills to de-stress and relax. A low to moderate intensity class, the poses can be modified either up or down to fit the needs of those participating. Beginner friendly!

PEDAL POWER: This fun, heart-pumping indoor cycling class will take you through challenging terrains. Be ready to climb mountains, race down hills, push yourself on flats and of course we can't forget the interval drills. There is no compromising your level of fitness in this indoor cycling class. Get ready to improve your endurance level, cardiovascular and muscular strength while learning proper technique to conquer all riding scenarios. Class will conclude with a 15 minute core/stretch session.

STRONG45®: The ultimate exercise-to-music experience, STRONG® is a high-intensity workout blending a potent mix of cardio, muscle conditioning and explosive plyometric moves, all synced to thrilling, original beats. Fast-paced and challenging, each session blasts calories and strengthens your entire body and mind.

STRENGTH IN MOBILITY: This will combine low impact strength exercises with functional movements and stretching to increase overall mobility, stability, and fitness. Be able to enjoy all the activities of daily life with more confidence and less aches and pains!

YOGA: Classes are vinyasa-style, which translates as coordinating movement with the breath. Sequences are unique, and incorporate awareness of the body as well as the breath. Poses are broken down so that the best alignment and potential of your body can be achieved.
